Her second letter; our Mrs. Pishbare.

Her second letter;
Dear Mrs. Fischam:—
"You will remember my condition when I last wrote you, and that the doctor said I must have an operation or I could not live. I received your kind letter and followed your advice very carefully and am now entarely well. As my case was so serious it seems a miracle that I am cured. I know that I owe not only my health but my life to Lydia E. Pintham's Vegetable Compound and to your advice. I can walk miles without an acine or a pain, and I wish every suffering woman would read this letter and realine what you can do for them."—Mrs. Mary Dimmick, See and East Capilol Streets, Washington, D.
